

VALUE-ADDED SERVICES BY CATALYSTONE

ACTING ON EMPLOYEE SURVEY RESULTS

In this workshop, you will discuss, prioritize and agree on concrete actions to implement based on the findings in the employee survey.

TARGET GROUP

HR, key personnel who need to review and analyze reports or facilitate internal workshops acting on the results and findings in CatalystOne™ Employee Survey report.

Description

Your organization has conducted an employee survey – what happens now?

You may have done several employee surveys but have not found a good way to work with the results.

CatalystOne can help your organization to identify findings, prioritize, implement and follow-up the initiatives effectively.

CONTENT

- discuss and reflect on the results
- identify target areas to reinforce - and target areas to improve
- create an action and communication plan and distribute responsibilities for each area
- how to follow-up the progress of the improvement plan

YOU WILL GET

- involvement, accountability and higher degree of ownership for the improvement plan
- concrete actions on a departmental level
- advice and best-practice on how to secure a good follow-up of the actions

TIME REQUIRED 2 x 2 hours

(duration may vary depending on group size)

NUMBER OF PARTICIPANTS 5 – 15
